DONORA ARRANGES TO HAVE COAL SUPPLY TAKEN CARE OF

Coal Operators Promise To Deliver Fuel at Price Not to Exceed 25 Cents

WAS RESULT OF COOPERATION

Through the action of a committee representing the Donora Community Service, the coal needs of the big steell town down river will be taken care of during the winter at a rate not to exceed 25 cents a bushel.

Some time ago the coal situation in Donora became quite acute, and the local commercial organization known as the Community Service, took up the matter with a view of solving the problem. A committee composed of Burgess Cox, R. E. Hooes, president of the Donora Community Service, Ben G. Binns, James P. Castner and Wm. H Watson, was appointed to interview officials of the Pittsburgh Coal company, and about a week ago went to the city on their mission. They met B. H. Armstrong, general manager of the company, to whom they explained the situation in their home town and asked for co-operation on the part of the company to relieve the situation. They were assured by Mr. Armstrong that the prevailing high price of coal and also the shortage, was due to the effort being made to supply the lake trade. The lake season, they were informed, would close about the first of December, after which time, according to Mr. Armstrong, there would be plenty of coal for everybody, and that present prices would ease off.

The committee was surprised by one statement Mr. Armstrong made. That was to the effect that the Pittsburgh Coal Company has not sold a pound of coal to anyone during the entire year at a price to exceed $2.75 per ton. Small operators have been receiving a much higher price, reaching in some instances as high as $13.-50 per ton, but during the past week this figure has gone down to seven and eight dollars, it is reported.

One thing that has boosted the price of the product of the small producers has been the inability of large producers to get an adequate supply. They have all bid against each other in the open market, and hence the price has climbed. Small operators, too, are unable to match the low operating expense of the larger concerns, which has considerably cut seeming big profits, in spite of the high prices received.

The Pittsburgh Coal Company asked for an estimate of the needs of the Donora community up until the first of December, and that the company would do all it could to furnish the needed amount.

The committee on its return to Donora immediately went to work to arrange for securing a supply and a meeting was held Tuesday evening last, at which time a number of local operators were present, who promised to co-operate. Local operators agreed to deliver coal at a price not to exceed 25 cents per bushel.

The committee at present is working out a central bureau plan, similar to the plans suggested for Charleroi, by means of which all orders will pass through this central bureau, and orders given for coal, when accompanied by the cash. In this way the community expects to have its fuel supply cared for during the coming winter.

P. H. C. HOLDS A PLEASANT SOCIAL

A very enjoyable social session was held by the members of the Protected Home Circle after their regular business meeting last evening. A euchre was the feature of the evening.

TYPHOID EPIDEMIC RAPIDLY PASSING

From all indications the scourge of typhoid fever which has been visited upon Bentleyville, is subsiding rapidly. Despite many rumors of a hundred cases or more, authentic reports now available show that the largest number of cases reported at any time was 32. To date four deaths have been reported. It is said that practically all of the wells in the borough tested for typhus germs by state authorities has been found polluted. General orders have been issued by those in charge of the sanitation for the community, and in cases where offenders did not comply with the demands they have been brought to terms.

A GRAND RALLY WILL BE HELD

Turner Hall, Tuesday evening, October 26, at 7:30. Mrs. Perry of Pittsburg, will discuss the League of Nations. M. L. Caton of Pittsburg will speak on the labor situation. The well known Wooda N. Carr will also speak. Community singing directed by Prof. Daniel. Everybody invited.

By Committee.

CLOSE GAME IN BOWLING CONTEST

Capt. Vernon's "Devil Dogs" won two out of three games from Capt. Henry Lowstutter's "Cubs" at the Elks' bowling alleys last night. The "Cubs" won the first game by 48 pins, but the second contest went to the "Devil Dogs" by 49 pins. Both teams then took a toe hold for the third game, but it was lost for the "Cubs" by Allman, who made a foul although Urben contributed materially to the success of his team by making a strike in the tenth frame. Plenty of "pep" was spilled during the last game by both teams. John Monier as usual rolled a fine game for the "Devil Dogs" in the position as substitute. Capt. Lowstutter was also in the fray every minute and turned in fine scores. The next regular scheduled game is set for Monday night between Capt. Kuhn's "Champs" and Capt. Lowstutter's "Cubs". All games start promptly at 8:30 o'clock. Score:

INCREASED PAY FOR ELECTION OFFICERS

Members of election boards in Washington county will be paid for two days' work in connection with the coming election, according to word sent out on Friday by the county commissioners to election judges in the various districts. This means that members of election boards will receive $10 for their work, the pay heretofore having been $5 for one day.

It is expected that the work of tabulating the vote will require the greater part of the night in many districts, the increased vote resulting from the enfranchisement of women.

CHARTER GRANTED FOR NATIONAL FRATERNITY

The Sigma Kappa Pi fraternity, a local organization at the University of Pittsburgh, has been honored by the granting of a charter in the national fraternity. CHAIRMAN CAROTHERS CONFIDENT OF A BIG REPUBLICAN MAJORITY

Predicts Harding and Coolidge will Have 10,000 in the County

WOMEN ARE A BIG FACTOR

C. E. Carothers, chairman of the Republican county committee, returned to Washington Wednesday evening from Harrisburg and will remain until after the election, November 2nd. He has kept in close touch with affairs in the county during the weeks that have elapsed since he assumed the chairmanship and since his return Wednesday evening has been in consultation with party leaders from every section of the county.

Reports made to him have all been of a highly encouraging nature, and he has learned of no serious defletcs from the ranks in any district; on the other hand he feels confident that many of those who voted the opposition ticket in the past will quitely cast a ballot for the Republican nominee this year as dissatisfaction with the administration of affairs under Democratic rule is widespread.

When asked for an expression of opinion on the situation in the state and county he said Chairman Crow had ample grounds for his assertion that the Republican ticket would carry the state by 750,000. As to Washington county he was of the opinion that Harding and Coolidge would be given a majority of 10,000, with all other candidates on the ticket going through with approximately the same figure.

When questioned as to what effect the newly enfranchised women voters would probably have in the forthcoming election, Chairman Crothers said: "I was one who heartily welcomed the coming of the fwomen into the active councils of politics They are showing a great interest here in Washington county. I believe that of the 12,000 women who have registered that 10,000 of them will vote in November. That is about 90 per cent of the total female registration. A great many of them did not indicate their political choice at the time of the registration, but of those who did the number enrolled as Republicans outnumbered the opposition almost three to one. This gives rise to the thought naturally, that the Republican ticket will receive about that proportion of the vote that will be cast. I see no reason to doubt the accuracy of this tentative forecast and feel certain that the result will bear out these figures. My confidence in the Republican womanhood of Washington county causes me to believe that the female electors will stand shoulder to shoulder with their men folks, and that an unusually large majority will be our portion."

POLLYANNAS HOLD HALLOWE'EN PARTY.

The Pollyanna Club of Christ Lutheran church held its annual Hallowe'en party in the church Friday evening. The church was tastefully decorated in Hallowe'en colors and presented a beautiful appearance. Covers were laid for fifty and the center piece on the table was a witches pot from which each one received a fortune. After playing a number of Hallowe'en games a delightful lunch was served

NEW HIGHWAY IS NEARING COMPLETION

Motor drivers are hopeful that the improvements to the road between Charleroi and Bentleyville will be completed before the beginning of winter weather. The State Highway Department is pushing the work of macadam on that stretch just outside the borough limits, and with good weather should complete the job some time in November. The concrete work now under way on the Bentleyville end of the highway is likewise being pushed quite rapidly and in the course of a couple of weeks it should be completed. The contractors are now on the final stretch, and if weather conditions continue as they have for the past month should be able to complete their work within a couple of weeks. After the cement has settled, which will require a couple of weeks, the new highway ought to be opened to traffic about the first of December. The portion already completed makes a fine highway and once the entire stretch is completed will make one of the most popular drives in this section of the state.

Michael Dooley.

Funeral services for Michael Dooley, who died at the Mercy hospital at an early hour Friday morning, as the result of injuries received in the Dawson mine, Thursday afternoon will be held Monday morning next, with Requiem High Mass in St. Jerome's church, interment to follow in Calvary cemetery. Mr. Dooley was born in Ireland; for twenty-eight years he was a resident of Dunlevy, moving to Charleroi last April. He is survived by his widow, and nine children, William, assistant mine foreman at the Charleroi mine; Peter Ambrose, Winnifred, Mary, Thomas, Michael, Ellen and Kathleen, and one brother, who lives in Holyoke, Mass. The deceased was for ten years an Auditor for the United Mine Workers of America, and a member of the State Examining Board of the 21st Bituminous District, of which Inspector Byrne is in charge. He was a member of Hibernians and Charleroi Aerie, No. 390, Fraternal Order of Eagles.

THE IMPORTANT JOB.

In a business institution there is no such thing as "the most important job."

There may be the "highest paid job," the "easiest job," or the "most responsible job," but the moment you try to put your fingers on the "most important job" you are in trouble. Whatever any of us happen to be doing may at any time become the "most important job" in the final bearing on the finished product.

Suppose you were manufacturing typewriters. You might send out the very best typewriter you ever made, and every man who had anything to do with it may have done his work to perfection, but if the machine was badly packed and did not arrive at its destination in good condition, you would then incur the ill-will of a customer.

Packing and shipping is therefore just as important as assembling, and assembling is just as important as selling typewriters.

A business is somewhat like a human body in that every part must function in cooperation with every other part, or the body will not function at all.

Is the heart more important than the lungs? Is the liver more important than the stomach? The moment any of the four quit working life leaves the body.

In the human system are tiny glands about which the doctors know almost nothing. Yet they do know this: that if the secretions from these glands are stopped, the patient dies.

These glands of the body are like clerks, messengers, porters, truckmen, ticket sellers, conductors, motormen, stevedores, of the business world.

The ease with which a man can be replaced does not measure the importance of his work.

When a person is descending from the twentieth floor of a skyscraper in an elevator car, the operator of that car is doing the "most important job." We may not notice him, but for a few minutes our life is in his hands.

So it is in business. At some time every day the good name of the company is in the hands of even the most lowly member of the organization.

None of us can afford to slight a single detail of our work, for just the moment we do that detail becomes "the most important job."

Simple Beauty Rule.

Women should take five minutes a day from work and lie flat on the back all muscles relaxed, with eyes closed. It will be found a wonderful preserver of health, beauty and strength, according to the advice of a health expert.

Very Rude, Indeed.

"I'm not going to that woman barber's again; there's a rude girl there, don't you know. Why, she looked at my moustache, and asked me if I would have it sponged off or rubbed in."—Edinburgh Scotsman.

CRUDOLEUM

s a rich, light amber in color, high grade, pre and natural product that has been proven by actual use to be especially adapted to remove dandruff and prevent the hair from falling out.

TAKE CARE of the children, especially the girls; see that their hair has a good healthy start. They during their school days, are subject to contagion of scalp diseases. CRUDOLEUM is ready to expel dandruff and heal red, crusty, rough, scaly scalp, and in addition to this aids those who have the blessing of abundance of pretty, luxurious, healthy hair to keep the scalp clear and free from disease and the hair beautifully brilliant.

OF THE HAIR of girls it is often truly said that it has a direct bearing on their future career. The girl with beautiful hair has a better start. Get a pint bottle today at F. J. John's. Your money back if not satisfied.

WHILE IT'S THERE is the time to give it care. Do not wait until the hair is nearly all gone before applying the antiseptic CRUDOLEUM to arrest the germ progress. Mr. F. J. John is authorized to return the purchase price if you are not pleased with the results of using CRUDOLEUM. The price is exceedingly small, only 35c. If your druggist cannot supply you, order it from Wm. M. Simpson Drug Co., Wholesale Druggists, Wilkinsburg Station, Pittsburgh, Pa. Price by mail, 40c.
